

ImaBridge Africa Walk-a-Thon: Walk for Water

Saturday, July 26th | 9:00–10:30 AM | Garfield Park, Aurora, IL (826 Sheffer Road)

One Mile. One Bucket. Big Impact.

Can you carry 5 gallons for just 1 mile?

Take a walk in the shoes of millions. Join us for an inspiring and joy-filled morning as we walk in solidarity with our brothers and sisters in Africa—especially women and children—who carry this burden every day, walking 3- 5 miles, in search of clean water.

Bring your walking shoes, your heart for justice, and—if you're up for it— a 5-gallon bucket!

Bring your family. Bring your friends. Bring your parish group.

Come for the fun. Walk with purpose. Help bring clean water to remote villages in Nigeria.

Every step tells a story. Every bucket carried brings hope.

Why We Walk

Water is life—but in many rural African communities, accessing clean water means walking miles, often daily. Together, we're walking to raise awareness, lift burdens, and open the tap to new life, through solar-powered boreholes that serve thousands in rural villages.

How You Can Help

Walk with us – Come solo or gather your crew: family, parish, small group, coworkers, pickleball team, Bible Study, anyone with a heart for change!

Sponsor a walker – Can't make it? Your support still makes a big difference- please see pledge form below.

Spread the word – Share on social media, email, or at church.

Pray for the mission – Let your steps (or your spirit) be part of the movement.

Make waves with every step. Walk with us to build a future of dignity, health, and hope.
